### ▲ FINANCIAL AID

Attention GSL Borrowers

Federal regulations specify that if you drop below half-time and receive a percentage tuition refund from FTS for the dropped classes, YOU WILL BE RESPONSIBLE TO REFUND THIS AMOUNT TO YOUR LENDER.

Due to a recent Congressional act, effective Oct. 20, 1987, the GSL origination fee increased from 5% to 5.5% and will affect new loans and second disbursements.

CLAS/ALAS Borrowers

Effective July 1, 1987, a variable interest rate was applied to the CLAS/ALAS loan program. If you have not been notified of refinancing options for existing CLAS/ALAS loans, please contact your lender. Need more information? Call 584-5421 or stop by e OFA.

- Loan Pending?** For inclusion on the Winter Registration Loans Pending List, loan applications must be approved in the OFA by Thursday, Nov. 12 (Loan amount must cover balance due PLUS winter tuition). Applications received after this date have the possibility, but no guarantee, of being on the list. Late applicants with an outstanding student account balance may be asked to register at a later date.
- CA Graduate Fellowship** To apply for a CA Graduate Fellowship, the Graduate Record Exam (GRE) must be taken prior to the March 2, 1988 application deadline (Note: fellowship applications are NOT YET AVAILABLE). THE GRE Bulletin includes test dates (next test: Dec. 12, 1987) and is available in the Admissions Office.
- Women Ph.Ders** Unmarried women Ph.Ders (26 and under) with at least a 3.8 GPA are eligible to apply for the Alice Freeman Palmer Fellowship. Applications for the \$4,000 stipend may be obtained from the Secretary to the Committee on Graduate Fellowships, Office of Financial Aid, Box GR, Wellesley College, Wellesley, MA 02181. Completed applications must be returned to the Fuller OFA no later than Friday, Nov. 20. (FTS may submit up to four applications.)

#### ▲ OFFICE OF FINANCE AND ACCOUNTING

- Deferring Tuition** All students deferring tuition for the Fall Quarter: your final payment is due Friday, Nov. 13 in the Office of Finance and Accounting. If you are awaiting student loan monies, please keep in mind that you are still responsible for any interest that accrues on your account.
- Student Accounts Outstanding Balances** If you are planning to register for Winter Quarter during the week of Nov. 17-20, and if you have an outstanding balance on your student account (this includes the balance remaining on your Fall Quarter deferralment contract), then you must pay your balance in full at the Office of Finance and Accounting prior to Nov. 12. Please keep in mind that students are seen on an appointment basis only, so be sure to call ahead of time, 584-5470! (NOTE: If you have an outstanding balance, but also have a student loan in process with the Financial Aid Office prior to Nov. 12, then you will be cleared for Winter Registration with no appointment necessary.)
- Winter Regist'n/Payment** Please come prepared to pay for all miscellaneous fees, including Health Insurance and YMCA/PAC Membership, at the time you are scheduled to register. (Don't forget to bring your checkbook!)
- Student Loans** NDSL recipients may endorse their Winter Quarter loans checks at registration, thereby eliminating the need for a special appointment at a later date. GSL recipients also may process their checks if they have been received by the school. Simply look for the cashier terminal marked 'NDSL/GSL'. It is a Dept. of Education regulation that loan checks are to be first used to pay in full all student account balances.
- Tuition Remission** Winter '88 Tuition Remission Cards are due in the Office of Finance & Accounting no later than Friday, Jan 15, 1988, at 3:00 p.m. Please be sure that the card is completed and approved by your supervisor before it is submitted. ## Winter Courses in the School of World Mission of Special Interest to Theology Students

### MB500 CULTURAL ANTHROPOLOGY CHRISTIAN PERSPECTIVE (R. Daniel Shaw)

An introduction to cultural anthropology with special attention to the application of anthropological perspective to the cross-cultural communication of the Gospel. The course focuses on cultural processes as well as on cultural patterning. Particular attention is given to the processes of culture change and their use in the transmission of the Christian message and the growth of Christian communities. Tuesdays 7:00-10:00 pm

### MB571 URBAN ANTHROPOLOGY AND CHURCH PLANTING (Paul G. Hiebert)

This course explores some of the critical issues arising from the rapid urbanization occurring around the world. While some celebrate, and many deplore the rise of the city, for us the question is how does the city mold our lives, and how can the church best minister in that setting. TTH 1:00-3:00 pm

### MC550 THE MINISTRY OF HEALING IN WORLD EVANGELIZATION (C. Peter Wagner and Charles H. Kraft)

A ministry-oriented missiological course intending to help students discover and understand assumptions concerning the relevance of God's power in miraculous healing and skills for applying it to the task of world evangelization. The topics of the class sessions follow the general outline of the recent faculty report, Ministry and the Miraculous.

Joining the professors of record, Wagner and Kraft, will be professors James Bradley, Lewis B. Smedes, Paul G. Hiebert, and Siang Yang Tan, applying their areas of expertise to healing and world evangelization. Dr. Rex Gardner of U.K. will participate as will Pastor John Wimber of Vineyard Christian Fellowship, Anaheim. Thursdays 6:00-9:00 pm

### MH520 THE HISTORICAL DEVELOPMENT OF THE CHRISTIAN MOVEMENT (Paul E. Pierson)

The purpose of this course is the missiological reinterpretation of the history of the church worldwide, and the application of the insights which emerge to present strategies of mission. We will not examine primarily the theological and institutional development of the church, but rather the dynamics of its expansion. We will pay special attention to means of renewal and structures of mission.

The course does not require loading the memory with dates, names, etc., but is more concerned with understanding the processes through which the Christian movement has grown, expanded, faltered, and flourished. T TH 11:00-1:00 pm

### MM560 WOMEN IN CROSS-CULTURAL MINISTRIES (Evelyn E. Jensen)

The nature of this course is introductory, speaking particularly to the issues of women in mission or cross-cultural ministries. Another way to describe the nature of the course would be to say that it is a broad survey of topics that are pertinent to the focus of women in missions. The course is divided into three main topics, as follows: one, the Biblical and theoretical basis for women in mission (ministry); second, a historical review of women who have contributed to the expansion of the frontiers of the Kingdom of God; third, the psychological and spiritual development of women. It is a fundamental assumption of the course, that Christian women are a valuable resource for the extension of the Kingdom of God, who need to be more fully developed, encouraged, channeled, and freed for the purposes of God in His Kingdom. MW 8:00-10:00 am
